## EXPERIENCE

### **FNG Enterprises, Marathon, FL — Staff Software Engineer/Front-End Scrum Master**

SEP 2022 - PRESENT

Works as a member of the Design, Front-end, and Quality Assurance teams.

Facilitates cross-team collaboration by having regular stand-ups and delivering clear status updates to other team leads.

Supports the front-end team's efforts by overseeing the scrum board, evaluating and eliminating blockers, and completing code reviews.

Ensures the technical feasibility of UI/UX designs.

### **Cimcor, Inc, Merrillville, IN — Office Manager**

JAN 2019 - PRESENT

Successfully completes payroll migrations to or from platforms, including ADP TotalSource, ADP Run, Paycom, and Netsuite SuitePeople Payroll/HR and ERP migration from Xero to Netsuite.

Manages and works in Netsuite daily for ERP, HR, and payroll needs, ensuring the product is being properly leveraged to have the maximum positive impact on operations.

Designs and improves onboarding processes, such as implementing an entirely digital onboarding plan to support remote employees.

Acts as controller, closely monitoring the company's financial health by maintaining, managing and analyzing financial transactions, payroll, budgets, and tax compliance issues.

Coordinates executive's challenging schedule by planning and scheduling meetings and travel, resolving conflicts where necessary.

Plans and executes company-wide outings to increase engagement between employees.

Prepares important investor and stakeholder-facing documents such as reports or consolidated research.

Evaluates and tests products to help support or improve administrative processes.

Manages day-to-day office operations.

Assists with the management of multiple subsidiaries.

Ensures operation of the building owned by the subsidiary by communicating with tenants, working with vendors, and creating procedures.
